

LEUPOLD

2017 NEW PRODUCTS

MARK 8

3.5-25x56mm

NEW

Meet the streamlined, lean, mean Mark 8 3.5-25x56mm. What changed? We added ZeroLock® adjustments and a non-illuminated front focal plane reticle to the game-changing optical system while maintaining the battle-proven toughness of the original.

LOW-PROFILE M5C2 ZEROLOCK ELEVATION DIAL LOCKS AT THE ZERO POSITION, AND GIVES YOU A VISIBLE AND TACTILE REVOLUTION INDICATOR.

MORE MOUNTING SPACE GIVES YOU GREATER FLEXIBILITY.

VX-3i LRP

NEW

For hunters, shooters, and precision rifle competitors, the VX-3i LRP (Long Range Precision) eliminates every element of chance possible from long-range shooting. Just as important, it's made to fit the way you shoot. Choose first or second focal plane reticles in MIL or MOA. The redesigned adjustments match reticle increments and track precisely. The VX-3i LRP Travel Indicator is easy to read and its adjustable zero stop prevents over rotation. We also include a throw lever and windage dial thread protector so you can run your VX-3i LRP your way.

ELEVATION TRAVEL INDICATOR IS MARKED IN 5 MIL OR MOA INCREMENTS, AND IS EASY TO READ FROM THE PRONE OR OTHER DIFFICULT SHOOTING POSITIONS; IDEAL FOR COMPETITION.

INCLUDES A THROW LEVER FOR NEAR INSTANT MAGNIFICATION CHANGES, AND A WINDAGE THREAD PROTECTOR THAT KEEPS YOUR WINDAGE DIAL ACCESSIBLE DURING A MATCH.

BRIGHT LIGHT OR TWILIGHT, YOU GET A SIGHT PICTURE FULL OF DETAIL AND CONTRAST, THANKS TO THE TWILIGHT MAX LIGHT MANAGEMENT SYSTEM.

4-14x50mm

6.5-20x50mm

8.5-25x50mm

1-6x24mm

2-12x42mm

3-18x44mm

3-18x50mm

4-24x52mm

VX-6HD

NEW

The VX®-6HD is begging to go where other scopes can't. We gave it new high-definition lenses for sharpened clarity, and the Twilight Max Light Management System for even greater low-light performance. To take it totally over the top, we added an in-scope electronic level, and throw lever for fast magnification changes. Your VX-6HD is ready for anything and everything.

NEW

LTO-TRACKER

LEUPOLD THERMAL OPTIC TRACKER

Your pack isn't complete until you add Leupold's new LTO-Tracker™. With this compact, handheld thermal tracker, you can clearly see the heat signature of game at up to 600 yards, day or night. Pack in an LTO-Tracker, and steep terrain, thick cover, or even pitch darkness will not stop you from packing game out. Just like a good knife, binoculars, and a rangefinder, make the LTO-Tracker an essential part of your gear.

DETECTS AND DISPLAYS TEMPERATURES AS LOW AS -40°F, AND AS HIGH AS 572°F.

6X DIGITAL ZOOM FOR BETTER VISUAL REFERENCES TRACKING GAME.

EXCEPTIONALLY SMOOTH, CRISP IMAGE QUALITY THANKS TO THE 30HZ REFRESH RATE.

READY FOR EXTREME CONDITIONS: THE LTO-TRACKER PERFORMS IN TEMPERATURES FROM -4°F UP TO 140°F, AND IS WATERPROOF.

COMPACT AND LIGHTWEIGHT: THE LTO-TRACKER IS JUST 5.8-INCHES LONG, AND WEIGHS LESS THAN 10 OUNCES.

THE LTO-TRACKER IS DESIGNED, MACHINED, AND ASSEMBLED IN THE U.S.A., AND COVERED BY THE LEUPOLD 5-YEAR ELECTRONICS WARRANTY.

BX-5 SANTIAM HD

NEW

Purpose-built for picking out distant Coues deer and sheep on distant ridgelines, BX®-5 Santiam™ HD 15x56mm binoculars can take on the biggest hunts. The huge, forgiving eyepiece is made for long glassing sessions. Extra-low dispersion HD lenses and the Twilight Max Light Management System combine to give you a crisp image, vibrant color, and optimal contrast in harsh or poor light. With Abbe-Koenig prisms ramping up light transmission, they also redefine low-light performance, clarity, and resolution at extreme long range.

BX-2 TIOGA HD

NEW

Good binoculars are no luxury, they're a necessity. The new BX-2 Tioga™ HD binoculars have the versatility you need in an affordable package, with an added edge. Leupold's Twilight Max Light Management System gives you the power to see into the shadows at dawn and dusk — and find the game hiding there — like never before.

IMS

INTEGRAL MOUNTING SYSTEM

The monolithic, cantilever design is strong and durable under the most intense conditions. The integral base/ring (formed from a single piece of bar stock) affixes securely to a picatinny rail. Preset ring spacing for easy mounting; mark one location on the rail for fast remounts and accurate return to zero.

NEW

MARK 2 IMS AR 2-PIECE MOUNT

NEW

MARK 4 IMS 1" CANTILEVER MOUNT

LEUPOLD PRO GEAR

NEW

BINOCULAR TRIPOD TRAY

Instantly mount any size binoculars to a tripod and lock them down quickly and securely with the hook and loop strap.

CARBON FIBER BIPOD

Use the rare-earth magnetic mount to instantly and securely attach or detach this tough, lightweight bipod to your rifle.

COMPACT TABLETOP ALUMINUM TRIPOD

Easily adapts to multiple positions with its micro-adjustable ball head, so it's great for the shooting bench, or even prone use.

FIX-IT STICKS

A must-have tool for making repairs or adjustments in the field.

LEUPOLD® FULL LIFETIME GUARANTEE

**WE GUARANTEE PERFORMANCE.
OTHERS WARRANTY FAILURE.**

Leupold builds optics for a lifetime of performance at the highest level, plain and simple. Other companies offer lifetime warranties because they know the optics they're selling you are going to fail, break, or fall short of your expectations. Leupold doesn't do business that way.

The Leupold Full Lifetime Guarantee says it best: if your Leupold product doesn't perform as promised, we will repair or replace it for free, whether you are the original owner or not — forever (excludes electronic components). We can do this because we use superior craftsmanship to create superior optics, and we're confident your Leupold won't let you down at a crucial moment. That's the power of our company: we stand behind our work.

Learn more about the best guarantee in optics at
Leupold.com/guarantee.
